

**Assessment Rate: Attractions and Recreation (Vote for 1)**

**Mark your ballot like this** ■

**Option A:**

The assessment level should be increased based on a formula of \$975 per one million dollars in travel and tourism related revenue beginning July 1, 2015 through June 30, 2019. The amount due is calculated by multiplying the annual gross receipts of a single business location by the percentage of revenue derived from travel and tourism, and multiplying the amount by 0.000975. By selecting this option Visit California will reach its targeted goal in three years.

**Option B:**

The assessment level should be increased based on a formula of \$1,175 per one million dollars in travel and tourism related revenue beginning July 1, 2015 through June 30, 2019. The amount due is calculated by multiplying the annual gross receipts of a single business location by the percentage of revenue derived from travel and tourism, and multiplying the amount by 0.001175. By selecting this option Visit California will reach its targeted goal in one year.

The selected formula will be the maximum rate for 4 years.

The commission may be terminated at any time by a referendum called by 10 percent of assessed businesses, calculated by weighted percentages. With the agreement of 20 percent of assessed businesses, calculated by weighted percentages, different assessment levels can be added to the referendum. For more information, refer to the enclosed Ballot Guide also located at [vote.visitcalifornia.com](http://vote.visitcalifornia.com).

THIS IS YOUR OFFICIAL BALLOT. YOU SHOULD HAVE ALSO RECEIVED A DOUBLE WINDOW RETURN ENVELOPE AND AN ENVELOPE MARKED "SECRET BALLOT ENVELOPE." **You may vote by mail or via the internet.**
